

Coomera Springs State School

Respect | Integrity | Excellence

REAL. MEN. READ.

Our school is on a journey. We are committed to improving reading outcomes for every child, every day. We also acknowledge the power of positive male role-models in the lives of our children. That's why we're spreading the message that REAL MEN READ.

During Literacy and Numeracy Week, we'd love your support. By partnering with the Coomera Springs REAL MEN READ initiative, you are helping to promote the importance of children seeing men read for enjoyment.

On Wednesday 31st of August, our school will transform into the biggest reading den that you have ever seen! Hopefully you can help us to spread our message that REAL MEN READ.

REAL MEN READ
