What we have been doing in Outside School Hours Care?

Term 4 has well and truly commenced, and we thought it would be the perfect time to share what we have been doing at Coomera Springs Before and After School care.

Spring is here..... We are all enjoying the warm weather after a long dry and cold winter. The little rain we have had has certainly brought out the brightness around the school. As the year nearly coming to a close, it's good to look back on what has been a very busy year for OSHC.

We have had heaps of fun this term including activities like Fire brigade and Forensic science police come out and talk to the children and gave out free stuff. Doing a 31 days lego challenge and some exciting science experiments. And also start making Christmas craft.

But as always there was also plenty of quiet time for homework, relaxation and reading.

Meet the Team

We're here to make OSHC the best experience possible for your children. If you have any questions about the program, feel free to drop by, meet the team and see what happens first hand.

Holley Ryan Hello, I am the coordinator here at Camp Australia and have been here for just over 4 years, I have enjoyed watching so many of these children grow up into the great children they are. come and check us out down in N block for some fun filled afternoons. See you soon!

Daniel Davie Hi I am the Assistant Coordinator, have been for 4 years now. I enjoy having a blast time with the children and creative cool outside games. We're looking forward to getting to know your child and family and sharing their day.

Kristy Smallmon Hi I am an Assistant here at Camp Australia, I have four daughters and have worked with children for many years, I also work as a teacher aide. There is no greater joy than hearing the laughter and seeing the smiles on children's faces, watching the children make new friends and becoming a part of our family.
