What's been happening at OSHC

Hi OSHC Families,

It has been a beautiful Autumn week and the sun has been out... The children and Educators have been busy; fun-filled, significant event filled weeks! Starting with 2 days of National Families Week and lastly National Walk Safely to School Day. The children really enjoyed learning all about these days in the calendar and what they mean etc. We completed lots of activities as well such as; a game of tug of war and our own pet profiles for everyone to learn everything there is to know about our pets, drawing portraits of our families as well as making our own family trees and learning a little bit about ourselves, we made posters about what we love about one of our family members and a rules poster for Walking Safely to School Day and learning about Sea Turtle Conservation for world turtle day. Creating a dance choreography and singing their favourite songs. It was a very busy and fun filled week this week that's for sure. Till next time keep smiling and continue to watch this space! 😊👍
