What's been happening at OSHC

Dear OSHC Families,

Welcome back to school! We hope your Winter Holidays weren't too chilly, & that you're ready for an exciting & productive Term 3!

During Winter Holiday Club, our Coomera Springs team focused on different cultures from all around the world as part of our "Wonders of the World" theme. The children absolutely loved participating in all of our programmed activities, incursions, & excursions during the break, & enjoyed immersing themselves in the arts & crafts, traditions, games, and workings of other cultures.

With all that said, the team here at Coomera Springs are ready to make the second half of 2019 even bigger & better than the first. This term, we will be celebrating National Science Week (August 12th-16th). This event is all about generating curiosity around technology & science in the world we are lucky enough to live in today!

To ensure your child doesn't miss out on all the fun in Term 3, we do suggest making your bookings in advance.

Until next time, keep smiling & continue to watch this space!

OSHC TEAM

Family Feedback

We welcome your feedback .

Your ideas, thoughts and suggestions are important to us and help us to create a quality service for you and your children.

Please let us know. Email, phone, chat..

We also are always on the look out for recycled materials and ideas for cooking, activities & experiences.

COLDS AND FLU

If you notice that your children are unwell in the morning, it is important that you keep them home to prevent the spread of illness. We have very swiftly moved into Cold and Flu season and have had many children go home unwell. Many thanks for your cooperation.

THIS WEEK AT CAMP AUSTRALIA!
