What's been happening at OSHC

Dear OSHC Families,

We hope your first two weeks back at school have been wonderful, & that you're ready to continue the fun & excitement!

You may have noticed some changes here at Camp Australia recently. We've rearranged our room & we've put a new routine in place to help support our students during their time with us. The children have really enjoyed the fresh new layout & they've been loving the different games and activities we've put in place for them!

We hope you're happy with the changes we've been making as well & we'd love to hear what you think! There is a new clipboard by the sign in / sign out table for you to provide us with your feedback, & please do keep an eye on our new "Parent Notices" poster as well as our whiteboard in case one of our educators is hoping to have a quick chat with you before you go!

Don't forget to book in advance for National Science Week (August 12th-16th) as well! We'd hate for you to miss out!

Until next time, keep smiling & continue to watch this space!

OSHC TEAM

Family Feedback

We welcome your feedback .

Your ideas, thoughts and suggestions are important to us and help us to create a quality service for you and your children.

Please let us know. Email, phone, chat..

We also are always on the look out for recycled materials and ideas for cooking, activities & experiences.

COLDS AND FLU

If you notice that your children are unwell in the morning, it is important that you keep them home to prevent the spread of illness. We have very swiftly moved into Cold and Flu season and have had many children go home unwell. Many thanks for your cooperation.

THIS WEEK AT CAMP AUSTRALIA!
