## What's been happening at OSHC

SEPTEMBER 2019

Dear OSHC Families,

During the month of August, our children participated in many exciting experiences in week six engaged in some educational discussions about some significant events. All our childhood dreams came true and were brought to life by the children celebrating book week. Cinderella played Frisbee with the Joker, Harley Quinn ate afternoon tea with Buzz Light year and Harry Potter, Thing 1 and Thing 2 battled it out over an intense game of Uno. It has been a week of fairy tales, superheroes and imagination. The children have loved sharing their favorite books and characters and have made bookmarks, fancy dress costumes and have created so much fun! we strive and encourage the children to be individuals, to have creativity and to have fun with their education.

Week Seven was mostly based on Father's Day, we learn't the history of Father's Day, and how different people celebrate Father's Day around the world and some cultural traditions that exist around Father's Day. For Father's Day the children made heaps of craft for dad such as; making Father's Day cards, decorating a cup for dad, we wrote Father's Day poems, painted Father's Day door hangers, decorated "Dad" wooden signs, wrote poems about our dads and cut out and decorated cardboard 'DAD' glasses.

This month we are our focus Save The Koala for September and from the 2<sup>nd</sup> to 8<sup>th</sup> is sea week.

While we already know that your children love their time with us, we also love hearing from YOU, so please take a moment to leave your feedback, suggestions, or ideas on our "Parent Propositions" clipboard by the sign in/out table, or – even better – flag an educator down for a quick chat before you go!

Until next time, keep smiling & continue to watch this space!

TEAM**

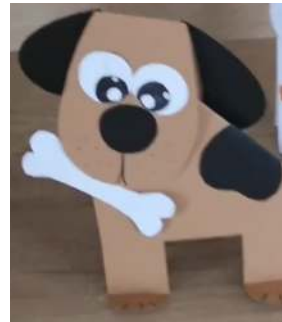

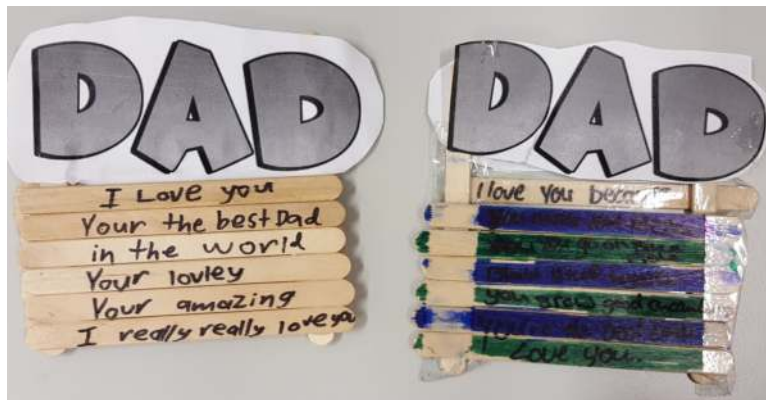

### Family Feedback

We welcome your feedback .  
Your ideas, thoughts and suggestions are important to us and help us to create a quality service for you and your children.

Please let us know. Email, phone, chat..

We also are always on the look out for recycled materials and ideas for cooking, activities & experiences.
