What we've been up to in the past fortnight!

Wow what an amazing school holidays we had. It was fantastic to see so many new faces, some fantastic new friendships made during these holidays.

Over the last two weeks we participating in plenty of activities, excursions, and incursions surrounding the stereotypical superhero, also spend some time discussing "real-life" superheroes with the children people like police officers, fire fighters, paramedics, teachers, farmers, the highlight was when the children created activities to build their ideal superhero character in Masks & Magic, experience their first mission in Operation: Rescue, bowl away the baddies in Strike Force! We all had a blast of a time.

I will keep you updated with what's happening with the next upcoming holidays until then enjoy term 4 at your school. See you all next Holiday Fun Club

Over the past fortnight we have all been extremely busy decorating and redesigning our play spaces, giving the children ownership of what they would like to do within the service.

We have all worked together to create some amazing areas to play, learn and respect the environment that we all love.

And wow it looks amazing😊 Well done to you all😊

Take a look at our Book/Sensory area time to sit relax and enjoy some quiet time.
