What we've been up to in the past fortnight!

Great things happening everywhere; making little boats, pretend gardens, magic ink painting, re-cycled creations, creative construction club, gymnastics, making passports, happy cards, playing basketball, footy, downball, tennis, masterchef, hairdressing, and much more... What a fantastic week we have had so far with the Science week, children have all engaged and communicated their thoughts and ideas on each experience we have created. Take a look at our amazing lava lamps and milk art we have created. We have experienced so many different ways we can extend on Science learning what floats and what sinks, Walking water, tasting Orange Fizz, Dry Erase, Snow Fluff and creating a Storm in a glass. Parents please come join in and have some fun with your children during this fun amazing learning journey.

Have a great weekend...

What we have planned for the next fortnight!

National Recycling Week is almost here! **National Recycling Week** is happening next week at your Outside School Hours Care. National Recycling Week is all about helping children connect with our wonderful world by teaching them how they can take care of the environment through recycling. We are excited to share with you what fun-learning activities we have planned.

Book now. To find out when these activities are on during the school holidays and to find your nearest service, visit: www.campaustralia.com.au/holidayclubs.

We look forward to seeing you at **Holiday Club**. **Summer School Holiday Program is out and book in early for some fun over the summer break Holiday Club** 😊

Term 4 is a Sunsmart term and hats must be worn, or children may have to stay inside under the shade. Please make sure your children have a hat at the OSHC service everyday.

What not to miss this term in OSHC

From the **11th to 15th November** we will be celebrating **National Recycling Week**. This week is all about creating awareness and teaching the children about sustainable living by bringing recycling to the forefront of their program. We will be encouraging children to explore the importance of recycling and how they can connect and contribute to the world through creative and fun activities.

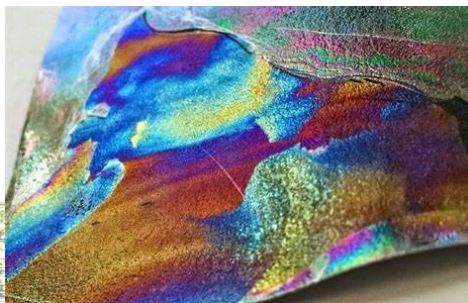

We don't want your child to miss out on all the fun! So, we recommend making your bookings in advance. You can visit our friendly staff at your service to find out more information on what activities they have in store for National Recycling Week.

Not yet Registered? Don't worry, it's never too late. Plus, it's FREE to register.
