What we've been up to in the past fortnight!

We are half way through the term already! It is getting very busy with lots of things hap-pening around the school and here at OSHC. As part of National Recycling Week, the children have made some very colourful posters about saving our environment and protecting our animals. We also had some children making a tree from old magazines and newspapers. It is exciting to see children gaining some knowledge about the benefits of reusing and recycling products in order to protect our planet. We had some discussion about the benefits of compost, what the differences are between a general bin, recycling bin and a compost bin. Different bins use different ways to recycle rubbish, such as reusing and reducing plastic bottles and plastic bags, in order to protect our oceans and animals.

Parents....if you would like your child to attend for a trial, the first session is free.

Come up and meet us and have a look at our program

Have a great weekend...

What we have planned for the next fortnight!

This month we are focusing on national novel writing month with Competitions and lots of fun activities. . Parents please come join in and have some fun with your children during this fun amazing learning journey Plus

For developing sustainability awareness, the children are involved in our Gardening Club which will be continuing this term. We have planted flowers, and herb in the cottage garden and will continue with a 'Kitchen Garden' which we started next year. We will also be introducing a Recycling Program and Station (paper, plastic and tin) where we will aim to re-use as much as possible in other activities such as Art and Craft. Recycle waste paper, used plastic and tin in our new bins in the centre. We will also be looking at composing our food scraps for our lovely garden!

Holiday bookings are now open. To download a program go to www.campaustralia.com.au or phone 1300 105 343 or alternatively come and visit me, I will have a couple of programs printed off for you to have a look at. Please remember our door is always open for you to come, visit, and have a look around.

Remember, "WE MAKE KIDS SMILE"

Term 4 is a Sunsmart term and hats must be worn, or children may have to stay inside under the shade. Please make sure your children have a hat at the OSHC service everyday.

What not to miss this term in OSHC

Book into a Summer of discovery, right here at Holiday Club.

Helping children discover their passions in life is something we value at Holiday Club. Right here in our clubs we've got our future leaders. Our future scientists, actors, lawyers, CEOs, chefs, dentists and even Prime Ministers!

Discovery all starts with variety and exposure; and this Summer, we've got a jam-packed program with all kinds of activities. We've got active excursions, engineering projects, mindfulness incursions, cooking workshops and everything in between.

Not yet Registered? Don't worry, it's never too late. Plus, it's FREE to register.
