What we've been up to in the past fortnight!

The Days are speeding by, and its been another busy creative learning week that has rushed us by, the children have been creating fantastic constructive creations out of lego and bionics, practicing drawing, face-painting with lots of children helping create some really awesome faces, BUSH OSHC building cubbies, painting stories in the artroom, learning new games, playing capture the flag, cricket, handball, making origami and scratch art, and everything in between!

We like to say a big thank you for all the support out the year.

We hope you all have a safe and relaxing break. We are looking forward to seeing you all refreshed for the 2020 school year.....

All the children will be a centimeter or two taller , a little bit smarter and ready for an exciting year ahead..
