

Hello and Welcome to Southern Cross Support Services.

SCSS are an established disability service provider operating across SEQ. We have successfully created children and adults' programs in and around Brisbane and now we are heading to the Gold Coast!

Our children's programs are most popular with community access and in-home supports for young people aged 0-18years, but we also have a new and exciting holiday program launching in April 2021!

'Skoolz Out', will be operating from April the 6th to April 17th in Upper Coomera.

We have a range of options available dependant on your child's needs and abilities. Skoolz Out is an NDIS funded program and will help improve social skills, independence, and life skills in a fun, friendly and relaxed environment.

Our staff are fully trained and experienced in a range of disability supports, as well as holding full First Aid and CPR.

SCSS prides itself on our ability to connect and support families, no matter what your care needs. If you would like to discuss any area of NDIS support in more detail or your / your child's eligibility, please don't hesitate to contact Claire or Elena on 1300 727 701 (1300 SCSS 01) - we are here to help

We look forward to meeting you!

Kind Regards

Claire Leach
